

EWU COLLEGE IN THE HIGH SCHOOL 2023-2024 MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (“MOU”) has been developed between Eastern Washington University (hereinafter “EWU”) and Tahoma School District (hereinafter “School District”) to govern our relationship in administering the College in the High School Program for the 2023-2024 academic year. It is intended to establish operational rules for enrollment in courses offered at high school sites and to define the conditions under which School District students (“Student” or “Students”) may enroll in EWU courses.

1. Purpose

- 1.1. EWU offers the EWU College in the High School program (“EWUHS”), which trains School District Teachers (“Teachers” or “Instructors”) to teach EWU courses. EWU offers EWUHS to award EWU credit to qualifying School District Students who successfully register for and successfully complete these EWUHS courses.
- 1.2. EWUHS is a “College in the High School” (also “CIHS”) program located at a School District’s high school in which a student is enrolled in an EWUHS course in accordance with RCW 28A.600.290. Students are responsible for paying tuition to EWU if required by state law, as well as for purchasing required textbooks and course materials if they are not purchased by the School District.
- 1.3. EWUHS is accredited by the National Alliance of Concurrent Enrollment Partnerships (“NACEP”). This accreditation enables EWUHS to meet or exceed all Washington state rules for College in the High School.
- 1.4. EWUHS is available to many high school sites as determined by Washington state law. For purposes of this MOU, “public high school” refers to those schools that meet the definition of a public school under RCW 28A.150.010 and are serving Students in any of grades nine through twelve. The term “non-public high school” refers to those schools that do not meet the definition of a public school and are serving Students in any of grades nine through twelve. EWUHS may require different rules for public high schools and non-public high schools according to state law, regulations and guidelines adopted by the Office of the Superintendent for Public Instruction, and legislative appropriations.

2. Program Overview

- 2.1. Academic calendar. EWUHS is available during the School District’s fall and spring semesters or fall, winter, and spring trimesters. All references to a “semester” and “trimester” in this MOU refer to the School District’s semester or trimester.
- 2.2. Maximum enrollment. The terms of this MOU are contingent on enrollment. Maximum enrollment in any section of a EWUHS course should not exceed 17 students. Student

enrollment that exceeds 17 students will result in additional sections being created until all participating Students are registered. For example, a high school course of 56 Students would result in 4 course sections under the same high school Instructor.

- 2.3. Minimum enrollment. Non-public high schools must meet a minimum enrollment of eight (8) eligible Students for each EWUHS course. If a course does not meet the minimum required enrollment level, the School District may seek advance approval for course continuance.
- 2.4. Cancellation. EWU reserves the right to cancel any EWUHS section or course at a public high school or non-public high school due to insufficient enrollment. If a section or course is canceled due to insufficient enrollment, EWU will refund any fees it may have collected for the canceled section or course. EWU will not be responsible for any other costs, damages, or claims whatsoever arising from its cancellation of a section or course or this MOU, including, but not limited to, payments to the School District.

3. Payment and Fees- Public High School Students Only

- 3.1. Credit and Registration Fees: Public High School Students. There is no fee for a public high school Student to enroll in or register for a EWUHS course. EWU will maintain course enrollment records for state funding to cover the costs of public high school students enrollment in EWUHS courses.

4. Payment and Fees- Non-Public High School Students

- 4.1. Credit and Registration Fees: Non-public High School Students. Non-public high school Students will pay \$65 per EWUHS credit. This cost may be paid directly by the students parents/guardians as set forth below or by the School District. The School District must notify EWU at the point of course registration which Students are responsible for paying credit fees and which Students' credit fees will be paid by the School District.
- 4.2. Payment Deadlines for Self-Pay Students. Fees for EWUHS credit must be paid by the following deadlines:
 - December 15, 2023, for courses offered on a School District's fall semester or trimester schedule;
 - March 15, 2024, for courses offered on a School District's winter trimester schedule; and
 - June 14, 2024, for courses offered on a School District's spring trimester or semester schedule.
- 4.3. Payment. Tuition will be paid directly to EWU. Students and their parents/guardians will be notified of their responsibility to pay tuition costs at the time of registering for the EWUHS course.
- 4.4. Third Party Payment. No third party payment is accepted.
- 4.5. Refunds of Fees. Fees are not refundable unless the Student is no longer enrolled in the EWUHS course by the EWU drop/withdrawal deadline or unless EWU cancels the EWUHS course for EWU credit.

If a Student withdraws from a course on or before the last day to withdraw from a course as outlined by established deadlines, EWU will refund the fees paid by the Student. If a Student remains enrolled after the last day to withdraw from a course, no tuition will be refunded.

5. Eligibility

- 5.1. Eligibility by Grade Level. High school ninth, tenth, eleventh and twelfth graders are eligible for participation in EWUHS in accordance with RCW 28A.600.287. School Districts are responsible for ensuring only eligible Students are provided the option to take an EWUHS course for EWU credit.
- 5.2. Student Recruitment. Recruitment of eligible Students is the sole responsibility of the School District.
- 5.3. Application and Registration. An application and registration form for participating Students shall be submitted to enroll in EWUHS. Official high school transcripts and/or SAT/ACT scores are not required. Before admitting a Student, EWU will decide whether the Student meets its eligibility requirements and whether the Student is likely to benefit from the university-level courses in which they seek to enroll.
- 5.4. Prerequisites. Some EWU courses require Students to have successfully completed mandatory prerequisite courses. Prerequisites are listed in EWU's course catalog. EWU will determine whether a Student has met the necessary prerequisites for an individual EWUHS course.

6. Credits

- 6.1. High School Credit. On a course-by-course basis, the School District shall establish the amount of high school required credit or elective credit, or a combination thereof, that shall be awarded for each EWUHS course successfully completed by the Student based upon the conversion rate set forth in WAC 180-51-050(2): one high school credit (Carnegie Unit) is the equivalent of five EWU quarter credits of coursework that generally is designated 100 level or above by EWU.
- 6.2. Determination of Credit amounts. The School District must determine how many high school credits will be awarded upon successful completion of a course. This determination must be made in writing before the student enrolls in the course. The credits shall be applied toward high school graduation requirements and subject area requirements.
- 6.3. Determination of University Credit. On a course-by-course basis, EWU shall establish the amount of EWU credit awarded per course. At EWU, the EWU credit may be applied toward general education requirements or degree requirements as outlined by academic policy. The EWU credit will have the same transferability as its equivalent course on the EWU campus. Upon successful completion of a College in the High School course and all requirements, EWU will grant the Student the appropriate amount of EWU credit.

- 6.4. Credit Maximums. Students may enroll for any number of credits permitted by state regulation and university academic policy.
- 6.5. Americans with Disabilities Act (“ADA”). The School District and EWU will work cooperatively on any ADA accommodations made for Students with disabilities.

- 14.11.3. EWU, an agency of the State of Washington, warrants that it is self-insured against liability claims in accordance with the risk management and tort claims statutes. The tort claims procedure, RCW 4.92.100 et seq., provides the fundamental remedy for all tort liability claims against EWU and its officers, employees, and agents acting as such and all such claims must be filed and processed as provided therein.
- 14.12. Confidentiality. Both parties agree to comply with the Family Education Rights and Privacy Act (FERPA) with respect to individual student education records. In the event of a health or safety emergency involving a student, the parties will work together to share information to the extent permitted by FERPA.
- 14.13. College in the High School Funding. The provisions of this Agreement assume compliance with applicable laws and regulations. Conflict regarding a student's eligibility for College in the High School funding will be mutually resolved between the Parties.
- 14.14. Assignment/Binding Effect. Performance of any or all aspects of this Agreement may not be assigned without written authorization by the other party. Likewise, neither party may assign their respective rights to any claims or actions arising out of or relating to this Agreement without written authorization.
- 14.15. Integration/Modification. This Agreement constitutes the entire and exclusive agreement between the parties regarding this matter and no deviations from its terms shall be allowed unless a formal, written, mutual signed agreement occurs between the parties.
- 14.16. Waiver of Breach/Default. No waiver of any breach of any term of this Agreement shall be construed, nor shall be, a waiver of any other breach of this Agreement. No waiver shall be binding unless it is in writing and signed by the party waiving the breach.
- 14.17. Severability. If any provision of this Agreement is determined to be invalid or ultra vires under any applicable statute or rule of law, it is to that extent to be deemed omitted and the balance of the Agreement shall remain enforceable.

- 14.18. Mandatory Dispute Resolution Procedure. In the event that a dispute shall arise regarding the terms, conditions, or breach of this Agreement, the parties shall, as a condition precedent to taking any action, mediate the dispute using the services of a mutually agreed upon independent mediator. Each party shall split the expenses of the mediator and the facility for the mediation. Each party shall otherwise pay its own expenses. Notwithstanding the above, if either party precludes the other from performing under this Agreement, the party that precludes the other from performance shall be prohibited from seeking or maintaining any action, claim or demand under or pertaining to this Agreement, including a demand for arbitration and the other party shall be discharged from any further contractual duty under the Agreement.
- 14.19. Attorneys' Fees and Costs. In the event legal action becomes necessary to enforce or interpret the terms of this Agreement, the parties shall be required to mediate their dispute(s) prior to legal action being commenced. After mediation has occurred, the prevailing party in any legal action shall be entitled to recover reasonable attorneys' fees and costs incurred in such action, as determined by the court. In the event of any appeals from such actions, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs incurred in such appeals, as determined by the court(s). The term "costs" shall include, in addition to statutory costs and disbursements, all costs associated with discovery depositions, expert witness fees, and out-of-pocket costs incurred by the prevailing party in the prosecution or defense of the action. For the purpose of this paragraph, the term "action" shall be deemed to include any proceeding commenced in the bankruptcy courts of the United States.
- 14.20. Governing Law/Venue. The terms of this Agreement shall be governed by the laws of the State of Washington. In the event that legal action is commenced to resolve a dispute arising out of this Agreement, the venue of such action shall be in Spokane County, Washington.

Authority to Sign and Obligate. The undersigned represent and warrant that they are authorized to enter into this Agreement on behalf of the parties.
